Super Boxing League to feature eight teams

In the face of opposition from Boxing Federation of India, the promoters of the Super Boxing League (SBL) announced that SBL's first season would be held from July 7 to August 12 in Delhi while unveiling the eight teams and their owners. SBL, whose first season is to be held at the Siri Fort Auditorium in New Delhi, has British boxer Amir Khan as its co-promoter. Khan was originally scheduled to attend the media conference here to unveil the details of the league but stayed back in Dubai after suffering a hand injury in training and is now expected to arrive here tomorrow.
